BRAIN BUS

Travel with dementia experts from any computer, tablet or smartphone connected to the internet.

Thursday, August 12 | 9:30 a.m. ET

Understanding Alzheimer's and Dementia

Alzheimer's disease is not a normal part of aging. Join us to learn about the impact of Alzheimer's, the difference between Alzheimer's and dementia, the stages and risk factors, current research and treatments available for some symptoms, and Alzheimer's Association resources.

Speaker: Kari Walker, Population Health Specialist, The Villages Health
